Describe your personality and character:	I am creative, passionate, driven and determined. I am also outgoing, clever, joyful, intelligent, hard working, persistent, caring, empathetic, funny and a good friend to many.
How would you describe your childhood?	I had a nurturing childhood.
What's your favorite childhood memory?	I have a lot of favorites, but generally anytime my family got together for birthdays or during the holidays were especially special to me.
Who has been the most influential person in your life, and why?	My dad because he always believes in me and has a positive outlook no matter the situation. He encourages me to be the best that I can and to be a good person. He's also a problem solver and has always striven to help me figure out a solution to any problem and overcome any obstacle whether that meant going over homework problems with me or taking me to the library; he was always there when I needed him.
What awards/accomplishments are you and your family most proud of?	There are a lot, but I was accepted into the #1 sales program in the nation at my university. It was a highly competitive and selective program.
Describe some of your hobbies and interests:	I enjoy reading, writing, talking to new people, asking lots of questions, traveling to new places and spending time with

	friends and family. I also enjoy anything fitness related and learning to cook! Planning, organizing and decorating for family functions is also enjoyable.
What sports or activities have you excelled in?	I was good at basketball in my early years, but never tried out or competed in a team. I participated in dance throughout High school. I am active in maintaining my personal fitness through jogging and weight training now as an adult.
Describe any artistic/musical talents you have:	Throughout elementary, middle school and High school I would consistently excel at art with my artwork winning second and first place in competitions. I am very quick to pick up on learning new songs and notes on the piano and flute. I played the flute throughout middle school and a part of High school, always achieving first or second chair.
What are your future goals?	To become one of the top earning sales representatives of a well known medical device company. I would like to also focus at being an active and good parent. I enjoy helping others fulfill their needs. In the next 5 years, I would like to own a home, be married and be successful in my career as well as having an enriching life filled with many interests and hobbies such as traveling and Broadway plays. In 10 years, I would like to own a second home and/or third home to rent and/or for vacation purposes. I would like to have moved further up in my career. I would retain my sense of adventurism and love of the outdoors my continuing to travel as time permits.
